MORNING TIME

Pick up something from your breakfast table, could be a spoon or a cereal box. Take turns giving it to each other (like a gift) while saying this month's memory verse to each other.

MEAL TIME

Ask a kid: How does it make your faith more real when you imagine Jesus actually alive on this earth, walking around playing, and talking with His friends?

Ask a parent: What do you think makes the story of Jesus bigger than any other story?

DRIVE TIME

Watch this summer's music video "Believe Remix" on either the Parent Cue app or Studio252.tv/fun2watch. Show off your best car dance moves for each other.

BED TIME

Read Acts 27:1-28:10. Ask God to show you ways that He is present and at work in the middle of the thing that worries you most.

PARENT TIME

Summer can be a fun time out of your regular routine and, for many families, involves an out of town trip. Each souvenir and photo we collect as we travel represents a memory we've made. Accumulated together, these memories make up the story of our family.

★ No matter where in the world your family finds themselves this summer, God is already there and already working. Your faith in the story of Jesus, a story made up of all the recorded activities and teachings from the Bible, has the power to change us for the better: To help us become people who forgive, who learn from our problems, and who work together to help others.
